PRESSURE EQUIPMENT CERTIFICATION DEFERRAL FORM

Part 1 - Request For Pressure Equipment Certification Deferral	<u>Deferral Request No.:</u> 007
---	--

Originator: Cody Scheu	Position: Asset Integrity Specialist	Date: 08/13/2015
----------------------------------	--	----------------------------

Equipment Identification: attach list if required See attached List	Plant No.: N/A	Equipment Tag No.: See attached list	ABSA "A" #: See attached list	PRD Serial #: See attached list
---	--------------------------	--	---	---

Current Next Certification Date: 2015	Proposed Next Certification Date: 2016	Assigned Interval: 60 Months
---	--	--

Justification for Deferral (Attach additional information as required):

This deferral covers all equipment listed on the attached spreadsheets within the Josephine Field.

The attached Integrity Assessment outlines the equipment to be deferred.

No concerns on Pressure Equipment Integrity noted in the Integrity Assessment.

This deferral is less than 1 year, therefore ABSA and Chief Inspector approval is not required.
